Selection Procedure:

Factors considered for selection: The selection of the scholars is based on all the following components considered at different stages as indicated in the *Procedure of Selection*:

1. Application in the prescribed format with all necessary data and submission of further information/ data sought by the department at the time of registration and interview.
2. Performance in the U.G and P.G. degrees.
3. Performance in the written test.
4. Performance in the interview.
5. Experience and publications to be assessed during the interview.

Procedure of Selection (at the department level): The selection will involve **three stages**.

Stage-1: All eligible candidates will be allowed to compete in the written test. A short-list of candidates for interview will be formed by considering the performance at the UG, PG, and the written test. Cut-off will be decided considering the number of seats permitted by the institute or the capacity of the department whichever is lower and applying a discount for different categories (OBC, SC, ST, and PWD). This is detailed in the *Procedure of short-listing for Interview*.

Note: The written test will be in the morning session on 25th June 2018 starting at 08:30 AM. Late entries are not allowed. Those who miss this scheduled-test will not be further considered for the selection process.

Stage-2: The short-listed Candidates in Stage-1, will be Interviewed by the Doctoral Research Programme Committee (DRPC). The DRPC will prepare a list of candidates recommending for admission to Ph.D. programme based on the performance in the interview, experience, and publications. This list will be submitted to the Head of the Department. This may be a NULL list in case no candidate is found suitable.

Stage-3: The Head of the Department will allocate the candidates to the Faculty members by consulting the candidates and the Faculty members intending to take the Ph. D. scholars, and forward the recommendation to the Dean (A).

Procedure of short-listing of candidates for Interview:

Step-1: All the Candidates meeting the institute eligibility criteria will be called for participating in the selection process.

Step-2: A written test will be conducted on the first day of the process to get a departmental level assessment of the candidates.

Step-3: A merit order will be formed for short-listing of candidates for interview giving weightages for different components as follows:

Undergraduate performance (First to final semester)	Postgraduate performance (First and second semester)	Written test	Total
30 %	20 %	50 %	100 %

Step-4: If the department has **N** number of seats in "Open Category (OC)", then the cut-off Rank (**R**) for OC will be "3 times **N**" in the merit order formed in Step-3 OR 25% whichever is higher. This list (L1) may be represented by the candidates from all categories (OC, OBC, SC, ST and PWD) and has a Cut-off mark M1 corresponding to the Rank R.

Step-5: The cut-off mark (M2) for OBC candidates is fixed at 90% of the Cut-off mark (M1) for OC. This list is L2 and contains all OBC candidates having score between and including M1 and M2 but limited by 3 times the number of seats available in OBC category.

Step-6: The cut-off mark (M3) for SC candidates is fixed at 75% of the Cut-off mark (M1) for OC. This list is L3 and contains all SC candidates having score between and including M1 and M3 but limited by 3 times the number of seats available in SC category.

Step-7: The cut-off mark (M4) for ST candidates is fixed at 70% of the Cut-off mark (M1) for OC. This list is L4 and contains all ST candidates having score between and including M1 and M4 but limited by 3 times the number seats available in ST category.

Step-8: The Shortlist of candidates for the interview is $L = L1 + L2 + L3 + L4$.
