....

Resolution of the BOS

The BOS resolved to approve the matter and recommended for Senate approval. [w.e.f. academic year 2011-12]

Proposed
5.5.3 The thesis submitted by the student will be evaluated by MTAC constituted by Dean (A) by selecting two referees (one internal and one external) from the Panel submitted by DPGC
5.5.4 If one of the examiners rejects the thesis, the thesis as it is has to be referred to a third referee selected from the Panel of referees.
5.5.5 If the thesis is rejected by two referees then it may be resubmitted after revision, incorporating the required modifications and/or alterations and/or additions etc. in the light of referees' comments. Such re-submission must be made not earlier than one month and not later than six months from the date

of such intimation to the student by the Dean (A). The thesis so resubmitted may be examined either by the same referees or by new referees.

5.5.6 Rejection of the thesis so resubmitted will disqualify the candidate from further consideration for the award of MTech (Research) degree.

5.5.7 The student, whose thesis has been accepted for the award of MTech (Research) degree, shall be required to defend his thesis at an open viva-voce examination conducted by MTAC. After satisfactory defense of the thesis, the MTAC will recommend the approval of the thesis to the Dean(A) through DPGC for further action towards the award of M.Tech (Research) degree
